

## Questions to Ask on College Visits

### ADMISSIONS OFFICE

1. What makes your university unique?
2. What are your retention rates?
3. What are the principal reasons students leave or transfer out?
4. What are your 4, 5, and 6-year graduation rates?
5. After graduation, what is the percentage of students that:
  - a. Work full-time?
  - b. Attend graduate school?
  - c. Do something else? What else are they doing?
6. How important is demonstrated interest/college visit to your admissions process?
7. Do you conduct a holistic review of each application? If so, what are things you take into consideration outside of just the GPA and test scores? What separate applications are required for additional scholarships?
8. Do you recommend an interview?
9. Do you recalculate GPA, and if so, how? Under the recalculated scale, what kinds of GPAs generally get admitted to the college?
10. Do you look at class rank?
11. Would I have been accepted last year?

### FINANCIAL AID OFFICE

1. What kind of financial assistance does the college offer: need-based, merit-based, or both?
2. What is the average student loan indebtedness of the college's graduates?
3. What types of academic/talent scholarships are available?
4. What will the rate of increase of the tuition be over the 4 years? Will the scholarships you offer increase at the same rate?
5. If I receive any outside scholarships (not from the university), how does this affect my financial aid package?
6. What kinds of work-study jobs are available?
7. Is study abroad included in costs regardless of where we go? Will my financial aid cover all those costs?
8. Can the college provide an early estimate of what our financial aid award might be?
9. What forms are needed in order to apply?
10. When are financial aid applications due?
11. What costs for a student are taken into account by the financial aid office? Tuition, room, board, transportation? How about additional expenses like books, fees, computers and personal expenses?
12. What is included in the comprehensive fee? For example, do students have to pay extra for computer time or to attend campus events (concerts, plays, films, lectures, athletic events, etc.)?
13. When will we be notified about the amount of assistance we can expect?
14. Does the institution have an appeal process to review special circumstances?
15. Is there a commitment for financial assistance beyond the first year?
16. How and when do we apply for financial assistance after the first year?
17. What if we do not qualify for need-based aid? Are there alternative financing options available?
18. What grants, loans and work study opportunities are offered by the college itself? Are there any we might be eligible for?

19. Is there a restriction to the length of time that financial assistance will continue?
20. What happens if our family's financial situation changes substantially during the school year?
21. Are there any payment options available (such as monthly or quarterly)?

#### CAREER CENTER

1. Can you give me examples of how faculty go above and beyond to help students with career advising?
2. What resources are available to undergraduates in terms of a career center, job shadowing, internship opportunities, networking events, etc.? Do separate departments have their own process or does the university as a whole have a career center that all students have access to?
3. What percentage of your graduates are employed in their field after graduation? What is your sample size?
4. Where are graduates from your university employed?

#### ACADEMIC PROGRAMS AND DEPARTMENTS

1. What are your most popular/distinguished programs?
2. Is there a core curriculum? If so, what are the distribution requirements?
3. How many students will be in my first year courses? Major courses?
4. What is the quality and ranking of the academic programs at the college? What do the reviews say? What do students say?
5. What makes \_\_\_ major stand out?
6. What are some interesting/exciting things that students are doing with a major in \_\_\_?
7. What can you tell me about the accreditation of your programs?
8. Do undergraduates have access to research with faculty members for my program? What does that timeline look like for those students?
9. Is there a separate application process to be admitted into the program of my choice? Or, am I automatically admitted into my major of interest when I am admitted into the university?
10. If I decide to switch my major, what does that look like? Is there an application process in order to get into a different program as a current student?
11. What percentage of classes are taught by faculty members and what percentage are taught by TAs?
12. Do students have a full-time faculty advisor, a staff advisor, or both? Are students required to meet with their advisor before signing up for academic classes?
13. To what extent do undergraduates participate in faculty research?
14. Is there an Honors Program? If so, what does it consist of?
15. What does it take to graduate in 4 years?
16. Is it possible to study abroad for a full semester or full year and still graduate in 4 years?
17. How many students study abroad?

#### ADVANCED DEGREES
